

FULL TIME

NASCAR 09/2019 - Current

- Building sites on their custom WordPress framework, utilizing InVision for mock-ups;
 - Developed ARCA Menards Series website
 - Developed Sebring Raceway website
 - NASCAR.com official site and app updates

Automotive Management Services 03/17 - 09/19

AMSI/AAG is one of the largest in the USA, with over 150 dealerships.

- Designed and developed websites, emails, landing pages, and ads for display, social media and search engine marketing
- Worked directly with OEM compliance including BMW, Cadillac, Dodge, Honda, Hyundai, INFINITI, Lexus, Mercedes-Benz, Mini, Nissan, Porsche, Volvo, and more.
- Designed, pitched, developed, and tested “Phalanx”
 - Asset generators for email, landing pages, and ads. Improved production by 400%
 - Reporting dashboards for staff and email campaign performance, and budgeting
 - Job management/queue, client, and relationship management systems
 - User testing and interviews conducted directly with design, account executive, management, audio visual, media buyer, email, and ad departments

Steeda Autosports 10/16 - 03/17

Steeda is the largest 3rd party Ford performance parts manufacturer in the USA.

- Wire-framed, prototyped and developed four e-commerce sites
- Google Analytics, A/B, and user testing and reporting
- Email campaigns designed, developed, and optimized from reporting metrics
- SEO, SEM, and display ad design, development and management
- Recovered 20 other blog and static sites, and 100k+ email list, after they had suffered a cyber attack (before me), increasing site uptime and security from 60% to 99%
- Pitched, setup, and managed the Asana project management system

Valley Forge Fabrics/Living Fresh 05/15 - 10/16

Living Fresh is the e-commerce residential branch of Valley Forge Fabrics, an international sustainable fabrics company who produces products for hotels, government, military, and more. I designed and developed their Shopify site, and brand standards.

Comfort Inn & Suites Tallahassee 03/12 - 02/13

I designed and built their 3rd party ‘brochure’ website, allowing them to have a site free from their restricted Comfort Suites provided website.

L.E.T. Group 03/11 - 09/11

L.E.T is a web design and development firm in Tequesta, Florida. I developed the front-end for many sites for hotels, restaurants, and more.

Sunshine Advance 09-07 - 07/09

Created, updated, and maintained over 100 lead generation websites for financial lending services.
